QUESTIONS?

MCUB FAQ

WEAR OF WHITE TROUSERS/SKIRT BY SNCOs

- ALMAR 59/01 and MARADMIN 266/03
- 2 types of Marines:
  - Those who get Supplemental Dress Blue Allowances (continue to wear blue bottoms until issued white bottoms) See MARADMIN 266/03
  - Those who voluntarily elect to wear dress blues during the summer (wear white bottoms) ALMAR 59/01
  - Policy – SNCO/Officers, if you are in short sleeves you are in white trousers.

MCUB FAQ

WEAR OF COMBAT UTES:

- ALMAR 28/02 – Mandatory Possession Dates
- ALMAR 15/02 – Wear Regulations
  - Can wear any type boot with both the combat utes and camouflage utes until 1 Oct 04, at which time only MCCB authorized for wear
- MARADMIN 310/03 –
  - Modified the mandatory possession dates and re-iterated that the daily wear of combat utes (which style) is the individual's decision.
- MARADMIN 199/04 –
  - Officers wear insignia parallel to the deck

MCUB FAQ

Wear of Optional Green Undershirts

Olive green undershirts of materials other than cotton are authorized for wear as long as they have certification approval (see paragraph 1007.1 of the Uniform Regs for an example of the USMC approval identification tag). Rule of thumb – if it has a visible logo on it, it isn't an authorized shirt.

MCUB FAQ

SNCO EVENING DRESS UNIFORM

- This issue has gone to CMC for decision. It is basically the officer jacket w/SNCO cuffs, piping, and rank insignia. The sky blue trousers will also be worn.
- It is proposed that there be no phase-out date for the old uniforms so Marines who have the “old” uniforms may continue to wear them until they are no longer serviceable.
